Rake up and bag your leaves so gardeners and composters can put them to good use. Bagged leaves may be dropped off on the event day. Leaves will be available for pickup each day on a first-come, first-served basis, while supplies last. You can also drop off your block and food-service Styrofoam during the event. Make sure the Styrofoam is clean, dry and free of tape. Put each type in clear plastic bags for drop-off. WSU Lewis County Master Recycler Composter volunteers will be on hand to inspect material for drop off and to help the event run smoothly.
